

Keeping up with the latest at Greater Springfield

April 27, 2017

Keeping up with the latest at Greater Springfield Mayor Paul Pisasale and Deputy Mayor Paul Tully joined with Ipswich City Councillors and Senior Council Officers for a first-hand briefing on the expansions taking place as the Greater Springfield development's population climbs towards 37,000.

More than \$30 billion dollars has been invested so far across both the public and private sectors to cement Greater Springfield as a multi-billion dollar contributor to the Queensland economy.
