TO WHOM IT MAY CONCERN

We wish to thank Glen Wambeek for his expert advice and assistance in finally getting us into an investment property!

It was something we'd been meaning to do for ages, but we were not quite sure where to look or how to find time to co-ordinate it all. Fortunately for us, our accountant recommended that we speak to Glen. He made it all look so easy that we felt sceptical. Well, it was effortless on our part! Glen handled everything. He let us have as much involvement as we liked in choosing the finishing touches, fittings and colours. Equally, we could ask Glen to just take care of it.

The finished product is a quality new house at a very affordable price in Springfield, Queensland. When we visited the area, every description Glen had given to us turned out to be totally accurate. It is a growth area with a good rental market. Our house was leased within the first week of going onto the market and we have the rental income that Glen predicted. All we had to do was make some phonecalls and sign some documents with Glen and the bank. Glen did the rest. Now the rent is coming in.

We are very happy to recommend Glen to anyone who wants to get into the investment market. He made it simple and his expert guidance of our decisions was honest, accurate and reliable.

Yours sincerely,

Jane Culver and Phillip McCready
