

Dear Glen,

Now that everything regarding the construction of our two investment properties in the Lakes has come to an end, we would like to thank you for your services, for your assistance and guidance throughout the whole process.

You have been very helpful, professional and have constantly kept us informed about all the developments regarding both properties. You have always been only a phone call away answering all of our questions and minimising any concerns that we may have. The property managers recommended by you have also been very successful in finding good tenants for both properties.

We wish you every success in your business!

Kind regards,

Irena and Eugene Kazagrandi
