Dear Glen

Since my first meeting with Glen, (April 2004) I have found him to be a very genuine and sincere gentleman.

Glen has exceeded all expectations. He helped me with flight details to Brisbane, attended to accomdation, met me and drove me to inspect land and property. His advice and time have been of the highest quality to me.

Yes, I did purchase property. I have really appreciated Glen's on going services and care.

As he says, he is only a phone call away and he replies to email's promptly.

I highly recommened 21st Century Group and Glen's professional services.

Thank you, Glen for your kind and caring manner.

Yours sincerely

Judith Bond
