

To whom it may concern,

Our account recommended Glen from 21st Century Group for our first investment property. His assistance and service was excellent; from the first meeting with him, he made us feel comfortable in showing us step by step in building our investment property at Springfield Lakes. From choosing the block of land to completion, was a smooth process. If we had any questions, he was there seven days a week with no hesitation. We did not have to worry about anything, from property management to finding Tenants as it was all done for us. The house has since been rented, exactly on the day Glen had promised.

We would highly recommend Glen's services to anyone. We thank you for your professional service to all that was involved and we are looking forward to our second investment. Thanks again Glen and to all the staff at 21st Century Group.

Kind Regards,

Bruno and Maria Canturi
