To a Prospective Investor

Our accountant has been recommending Glen to us for a few years now and being our first investment property we were still hesitant in committing to a large investment.

To dip our toe in the water, so to speak, firstly one of us attended an information night so we didn't get bailed up on the night to make a commitment. From this night we found out that it was Springfield Lakes which we knew quite well with friends living in the area.

We decided to take the plunge; Glen was great, being able to walk us through the details and steps involved with the property that we purchased. Glen came to our house a number of times and consistently on the phone ensuring we that we were up to date and comfortable with the progress of the house until completion.

We are now happy to say it is all done, house looks great, view is fantastic, the tenant is in and the 1st rent has been paid. The momentous occasion was celebrated with Glen at a fabulous Sri Lankan (which turned out to be Indian) Restaurant.

For this whole Journey he becomes a member of your Family (possibly the Uncle you don't talk about), we are more than happy to recommend Glen and 21st Century to our friends and family.

Thanks again Glen, happy days ahead!
