We would like to thank you very much, for your very thorough and professional service, provided to us, during the recent purchase and construction of our first investment property in Springfield Lakes QLD.

From your going out of your way to come and visit us at our home, to give very detailed initial advice and then spoiling us all day long, when we flew up and you showed us all around Springfield Lakes. To the dozens of emails and phone calls, all answered promptly, about even the smallest of queries, you ensured that nothing was too difficult, and sorted any problems that arose immediately.

We were very pleased with how quickly and smoothly the construction period went. Very soon after completion, as advised, we had tenants ready to move in.

We really appreciate all your assistance and will have no hesitation, in recommending your services, to our friends and family, or anyone looking for advice on investment properties in the future.

Thank you again,

Paul & Laurel Wilde.
