It is with great pleasure that we give this testimonial letter to Glen and his staff at 21ST Century Group. We were introduced to Glen through a friend of ours who is also a very happy customer.

In our first meeting with Glen we felt comfortable – like we were sitting down with an old friend for a chat. Glen informed us about his company and what he and his staff could offer us for our future. We wanted to purchase an investment property however we were feeling hesitant in taking the big step. Glen laid out all the “worst case scenarios for us” to make sure we were comfortable in making a purchase.

From our first meeting until well after the build was complete and tenants had moved in Glen has supported us and made us feel comfortable. He was happy to answer and discuss any question we had for him, and if he couldn't answer it on the spot he came back with answers quickly and promptly.

We definitely recommend our friends and family to Glen for property investments.
